SERVING GREY BRUCE

Join the
CR**SE**
COMFORT CLUB

Eric Crose

crosemechanical.ca

Do you maintain your home, yet forget to have your heating and cooling equipment serviced?

Let us look after it for you!

When you join the **Cröse Comfort Club** you'll receive priority service and regular maintenance throughout the year.

(Available for residential and commercial)

Who Would Benefit Most From The Crose Comfort Club?

Pretty much anybody who wants the peace of mind in knowing what their bill is going to be, rather than getting surprised with a no-heat situation where you are open to almost any cost.

With the Crose Comfort Club, you will know on a monthly basis what you are paying which could be as low as **\$19.99** per month.

Knowing your budget and that your furnace, water heater, heat pump and, air conditioner are all going to get taken care of.

That's why we created the Club.

Why Invest In The Crose Comfort Club Instead Of Waiting Until Things Break Down?

Because you'll get priority service and regular maintenance and repairs to keep your heating & cooling running efficiently all year round.

Think about your car. You need regular maintenance to avoid break downs. If you don't change your oil, eventually the engine will stop working and leave you stranded on the side of the road. The same is with your home heating & cooling equipment.

- We'll perform a regular inspection to catch any problems before they happen.
- We perform any maintenance needed to keep things running efficiently.

Let us help you take care of your home, so that you can sleep soundly.

105 Shane St,
Owen Sound, ON N4K 5N7

(519) 372-2978

What To Expect From The First Visit?

For the first visit, we will discuss how we can help you by offering a best-fit service plan.

Packages include:

- Heat Pump
- Furnace
- Air Conditioner
- Water Heater
- Heat Recovery Ventilator (HRV)
- And More!

How Do I Pay?

Easy monthly payments or one-time yearly charge for equipment maintenance check, full system warranty or a full house peace of mind.

Award-winning heating and cooling company serving Grey Bruce counties.
